Communications

The Student Academic Affairs communications team, part of the Office of the Chief of Staff, provides centralized communications services and support to all Student Academic Affairs functional units as well as to the Vice Chancellor’s Office, the Graduate Division, and the Office for Postdoctoral Scholars.

Communications staff also serve on campus-wide committees to strengthen the quality of communications, create and share resources that benefit all SAA units, seek out collaborative partnerships, and promote and support the needs and perspectives of students and trainees at UCSF.

If you have questions or need assistance, please contact Jeannine Cuevas [1], SAA and Graduate Division communications director, or Erik Rotman [2], SAA and Graduate Division communications coordinator.

**SAA and the Graduate Division Communications Group Members**

The following individuals have communications-related responsibilities in their respective SAA units and act as communications liaisons between their units and the central communications office for SAA.
